

# ProBee ( Project Management System) Frontend Explanation & UI Design

The login page features a white background with a central white box containing the login form. At the top, it says 'Welcome to Project Management System' in bold black text, followed by 'Login' in a smaller bold black font. Below this, there are two input fields: 'Username:' and 'Password:'. Each field has a light gray border and a small 'x' icon on the right. Below the password field, there are two blue buttons with white text: 'Instructor Login' and 'Student Login'.

Login page for all types of users. User enters information and click the button. System will check the information from the database and return a response message ( This process is not checked in current version of the project due to the reason no backend & database setup)
